**MEMBER TUITION** – Members of St. Paul Lutheran Church pay a lower tuition rate due to their support of the church through their time, talents, tithes and offerings. The member tuition rate only applies to members with church attendance of 60% or higher. The attendance percentage is determined every six months, January-June and July-December. Church attendance January-June determines the tuition rate for the following September-December payments while July-December determines the tuition rate for January-May. Only weekly Saturday and Sunday services are considered when calculating church attendance. Attendance is based on the parent's attendance. However, we strongly encourage parents to attend with their children. Records are kept through attendance slips turned in during worship services, not through the students' attendance envelope.
