## WHO IS CALLL-NW?

The Center for Appreciative Learning, Living, and Leadership is a consortium of experienced organizational development professionals in the Puget Sound region committed to assisting organizations to realize potential. CALLL-NW is offering these customized, affordable workshops as part of their commitment to develop and make available high quality training, workshops and consulting, to non-profit, faith-based organizations, education and governmental agencies at accessible prices. As part of this pilot effort, CALLL-NW offers scholarships to a limited number of not-for-profit organizations.
