About LTD:

LTD Music Productions was founded by Tim King, sound engineer and jazz performer, a highly experienced technician and musician, understanding the needs of clients both on and off the stage.

Because of a "customer first" attitude and extensive experience with a focus on detail and quality, LTD Music Productions is the sound reinforcement company of choice in the Michiana area. LTD Music Productions provides the solution for your needs.

LTD takes pride in using professional grade equipment manufactured by industry leaders such as Electro-Voice, Mackie, MOTU, Glyph, Marantz, Tascam, Whirlwind, Shure, Audio Technica, AKG, Gibson, Yamaha, Selmer, Gallien-Krueger, and Apple Computers.

Pricing and Scheduling:

Several factors must be taken into consideration for a custom quote, such as hours of service, location, date, travel and specific needs. Early reservations will insure availability for the date you desire.
