

## WEEKLY SKINS GAME – EVENING LEAGUE

If you participated last year, we hope you will join again. If you haven't participated, give it a try! Participation is optional. We will play on gross and net skins in two handicap categories, a low and a high handicap group (exact grouping to be determined). The cost is \$2 per week. **Please pay by adding this amount to your registration payment.**

Payment is required prior to golfing on May 1st. The full season is 16 weeks for a total of \$32. (No Skins on Club Championship dates or Fall Tourney)

Here are the rules for skins:

1. You and you alone are responsible for entering your scores on the appropriate score sheet. If you delegate and it doesn't get done, you lose.
2. You need to put your current (last revision) handicap on the score sheet.
3. No refunds for forgetting to enter your scores or missing a date.
4. Volunteer figuring the winners is not responsible for tracking anyone down for scores nor will winners be revised once posted.

We will NOT be playing skins during the Club Championship or on the Fall Tourney.

**Please add the full season fee to your registration check.**
