

Lady Bug House Instructions

Purchase 1" x 6" x (whatever you desire: Must be at least 3') wood piece.
(actual size for 1"x6" is $3\frac{3}{4}$ "x $5\frac{1}{2}$ "')

Cut all pieces one at a time to allow for kerf.

Edge top and sand all pieces.

Use washers in front to allow pivoting for twigs, lady bugs, and cleaning. (may have to be screwed shut later)

Attach to pole and place into garden area. The lady bug house should be 1-2 feet from ground. (Avoid rain damage)
