

# PALLADIUM HOTELS & RESORTS

**February 2008 News**  
**Unofficial Palladium Site**

The Mini Club at the **Grand Palladium Resort & Spa** in the Mayan Riviera will now be featuring songs in Spanish. The first song introduced in Spanish will be Greased Lightning and will be a way for children from 4-12 to experience a new language during their vacation.

**The Royal Suites Yucatan** in the Mayan Riviera will now feature newspapers delivered daily (by request) as well as an evening courtesy service in rooms.

The Spa of the new **Grand Palladium Resorts in Jamaica** will be the largest in Jamaica. The resorts will also provide a pillow menu for guests.

The televisions in the rooms at **The Royal Suites Turquesa** in Punta Cana will be replaced with new, flat-screen television within the next month or so. The Royal Suites Turquesa is now offering WIFI Internet connection as of February 6<sup>th</sup>.

The Royal Suites will now be listed separately on Internet sites as The Royal Suites by Palladium and no longer under the Grand Palladium name. They will offer improved service and facilities and use the following logos:
