DOOR PRIZE TO BE GIVEN

Are we a big-time, sophisticated club - or what! By all accounts we have one of the strongest numismatic organizations in the twin cities. Our member participation is high, our meetings are well attended and our presentations are interesting and informative. But we want more!

We want all our members to attend our meetings, so we are giving away a valuable door prize this month to see if this is something that will spark even greater interest. So even if you already have a door, come to this meeting.
