MEETING

SEPTEMBER 24, 1987

Well, summer is over, and the time has come to winterize our boats, store our tents and campers, put away our croquet sets and lawn furniture, and get back to the pursuit of tetradrachms and denarii. I hope you are, as I am, looking forward to our monthly meetings, both for the comradery and the information that our gettogethers offer.

PRESENTATION

THE DECLINE AND FALL OF THE ROMAN EMPIRE

SPEAKER: BOB STUMM

Bob will discuss various theories of why Rome fell, and give us some insight as to why Rome stood for so long a time. Although Bob will deal mainly with the theories of Rome's decline, he will touch on the history of the last 200 years of the empire.

SPECIAL EVENT

Eskil Broburg has offered to photograph some of our coins. During the September, October, and November meetings, Eskil will photograph about 36 coins at each session. He is prepared to photograph, develop and project slides of the coins all in one evening, using his special equipment and Polaroid instant slide film.
