MEETING

JANUARY 26, 1989

PRESENTATION

THE ROMAN GOD JANUS
SPEAKER: RAY RANTALA

This month's presentation on the Roman god Janus, god of gates and doors, will be very short so that we may concentrate on the business meeting. Anyone having coins depicting Janus is asked to bring them to the meeting.

BUSINESS MEETING

At our last meeting, in November, several items on how to improve our club were discussed. These included:

1. Members are encouraged to bring a few coins to the meeting so that any questions they have on the coins may be discussed, or their particular observations of the coins may be shared.
2. Members willing to share - at the meetings - any books they may have on ancient coins, are asked to either bring the books with them, or bring a list of their books so that others may get to know what is available in certain areas of collecting.
3. It was proposed that a panel (perhaps different for each meeting) be formed to have a more or less formal discussion of a few selected coins. The discussions would be specific and detailed, including translation of legends, significance of designs, etc.
4. The formation of a committee to share the responsibility of organizing presentations.
5. Memberships - and dues - will run from January through December.
6. Members are asked to make a list (either bring it to the January meeting or mail it to Bob Stumm) of proposed candidates for this year for President, Vice President, Secretary and Treasurer.

7. Elections will be held in February.
8. Payment of 1989 dues should be made as soon as possible.
