TWIN CITIES ANCIENT COIN CLUB NOVEMBER 16 VOL.29 NO. 12

- **NOVEMBER PRESENTATION: Counterfeits and Copies of Ancient Coins**
Elwood Rafn will give a presentation that will help increase our awareness of counterfeit ancient coins and will help us become more informed buyers. Elwood promises to bring along photographs of coins. Club members (and you know who you are!) who have questionable coins may want to bring them along for an expert opinion.

Note the meeting date change due to the Thanksgiving holiday.

- **End of Year Gathering:** Please note on your calendar that our December meeting is our annual, end-of-year, holiday gathering. This year we are meeting on **Saturday, December 2** for dinner at one of the nicest restaurants in the twin cities, Muffuletta's on the Park. Plan to arrive at about 7:00. Muffuletta's is on the corner of Como Ave and Carter Ave in St Anthony.

- The bottom line . . . our November auction was too long! In fairness to our fellow members, lets all limit the number of coins offered at auction so we can keep our auctions fun and fast-paced. If you want to sell a large number of coins, just bring them along and display them before and after the meeting. Buying, selling, and trading as well as just looking at and talking about coins are the primary reasons for our getting together as a club . . . but let's keep it fun.
