

# Twin City Ancient Coin Club

June 28, 1990  
Vol. 30 No. 6

## June 28th Presentation:

Mr. Elwood Rafn will discuss "The Other Ancients", focusing upon the development of coinage in the Ganges Valley and in China. This will be a rare opportunity! Archeological evidence suggests that coinage existed in China and the Ganges valley at about the same time - and perhaps earlier - than Greek issues. Better understanding of historical events may help us to place modern changes in the Far East and India in a clearer perspective.
