

TWIN CITY ANCIENT COIN CLUB

VOL. 30, No. 9

THURSDAY, NOVEMBER 29, 1990

URGENT REMINDER: OUR NEXT MEETING IS SCHEDULED FOR THURSDAY, NOVEMBER 29th DUE TO THE THANKSGIVING HOLIDAY - IN ACCORDANCE WITH YOUR WISHES EXPRESSED AT THE LAST MEETING!!!

PRESENTATION: Mr. Ted Molitor will share his personal research concerning first century coinage - and the Indian connection. JUST TO SET THE STAGE: Philip Carrington, Archbishop of Quebec writes: "...Buddhist monks had turned up in Egypt in the time of the Ptolemies; Brahmins had visited the court of Augustus; trade missions had come to the court of Antoninus. Toward the end of the second century, the Romans had built permanent trading posts on the Indian coast...there were three roads to India: by sea from Egypt, by sea from the Gulf of Akaba, which was linked by road with the Roman province of Arabia, and down the Euphrates and Tigris to the Persian Gulf...

In the Syrian Acts of the Apostles, it is the Apostle Judas Thomas who went to India and undertook to build a palace for King Gundaphor, a historical personage of the first century, known from his coins...it tells, too, how that palace was built in heaven and not on earth for Thomas spent the king's money on the poor and the sick and the distressed..."

This will be a very interesting event! BRING A FRIEND!
