TWIN CITIES ANCIENT COIN CLUB MONTHLY NEWSLETTER

MARCH PRESENTATION : "Finding Information - Tips for Numismatists"

The venerable Mr. Bill Daehn will once again grace our podium, this month focusing on something we always need to add to our collections - resource material! We can look for Bill to introduce resources that are available to aid in our search for numismatic knowledge, ~~and~~ discuss numismatic bibliographies, and both local & non-local libraries containing important references. He will also submit information ~~on~~ about on-line library catalogs that can be accessed by most home computers. If your looking for information about information, be sure to attend!

NOTES FROM THE SECRETARY

Just a few short notes :

- * It's that time again - if you haven't paid your dues (figuratively speaking that is), be sure to see John Carnes to get your receipt. Still a bargain at \$5.00 !
- * Support your club - postage increases have raised the cost of the newsletter to more than we take in at each meeting. Everyone can help raise capital. If you have anything of interest that you no longer use, or feel that other members may benefit by ~~it's~~ it's use, please bring it in for sale or auction. If it benefits the club, it benefits you!
- * Sorry about this months format - my computers down, so this months newsletter is being produced on a 1946 Royal typewriter. (My kingdom for a spellchecker program, or maybe just some correction tape!)
