

ICord Cast On Tutorial

by Rebecca Mercier

I've looked around online and wasn't able to find a visual ICord cast on tutorial, so I thought I would give it a go and create one myself, so here I go....
You can click on each photo for enlargement.

Begin by casting on 3 sts, use your choice of cast on.

Slip these 3 sts from your right hand needle onto your left hand needle, this will position the working yarn behind the last st. on the LH needle readying it for

icord.

Knit into the front and back of the 1st st. creating 2 sts, knit the next 2 sts.

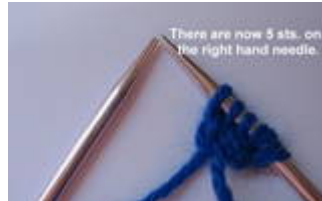

You now have 4 sts on the RH needle.

Slip the 1st 3 sts on the RH needle knitwise onto the LH needle. You will now kfb of the 1st st and k2 as in the previous row.

You now have 5 sts on the RH needle.

Slip the 1st 3 sts from the RH needle onto the LH needle as you did in previous rows. Kfb, k2 as in previous rows. Continue in this fashion until you have the desired # of cast on sts. plus 2.

Continue these steps until you have the desired # of cast on sts. PLUS 2, slip the 1st 3 sts from the RH needle onto the LH needle.

k2tog, k1.

Slip 2 sts from the RH needle onto the LH needle, k2tog.

ICord cast on is complete!
Knit On!
