

**BSSH Swimming/Diving Team 09-10
Parent Volunteer Form**

As you can imagine, the success of the swimming and diving team depends on parent volunteers. My role is to coordinate all the volunteers. There are many ways to get involved. Please review the list below and check where you would be most interested in serving. We will review the list and place you where you are most needed based on your preferences. **Those families that do not turn in this form will be assigned where needed.**

Thank you in advance for all that you do to help your child and the team to be successful!

Linda McElvenny
(Mother of Caitlin '11)
